

Fifth Grade News

November 23rd

Dear Students and Families,

The holiday season has come at last. This is a time for sharing with family and counting our blessings. Thank you for the blessing you are to this school. I hope each and every one of you has a truly wonderful Thanksgiving.

This week Monday and Tuesday are full days. These are normal, academic days except we will not be preparing for a spelling test or a Bible test. Wednesday is a minimum day, ending at 12:30. We will be celebrating this year with our Study Buddies, as you know, in room I at 11:30am. If you are helping or want to help, please coordinate with Alison and Carol. There is no school Thursday or Friday.

We are doing so well with bringing in change for the “Quarter Mile.” Thank you so much for your generosity. To help the students reach their goal, we have been given permission to sell cups of hot chocolate outside our room in the mornings. Come talk to me if you would like to help ☺

You are wonderful! Have a fantastic holiday!

Sincerely,
Mrs. Caban
