

The Fourth Grade News
Dec. 14th -18th

Dear Ones,

The last week before vacation is here and there will be some very excited students. We will be very busy wrapping everything up to prepare to go on break. I am so looking forward to the rest of the special presentations. It is interesting to learn about how the holidays in other countries are celebrated and how our class families celebrate. Thank you for helping your student put everything together to share with us.

I hope you have a most wonderful Christmas and a good break from the homework and projects.

We will have a small party on Friday and we will open our stockings. Remember there is not a gift exchange but you can send little things to go in the socks.

It was a great joy to spend holiday time with the class. They are so enthusiastic and appreciative!

Love,
Mrs. Aram
