

Fifth Grade News

February 1, 2010

Dear Students and Families,

Our program is only a couple of days away, Wednesday night at 7:00pm. Please be here by 6:30pm. Don't forget we will also perform on Friday morning at 9:00am. We are working very hard. Be sure to continue practicing your lines at home. It is going to be a great program!

Remember that we will be celebrating Valentine's Day next Friday, the 12th. It is a minimum day preceding President's Day weekend. We will be having a small party and we will be giving hand-made valentines to our study buddies! If you plan to pass out valentines, please be sure to have enough for everyone. We have 18 students and class lists are available in the office if you need one.

Monday is a holiday! Have a great three day weekend!

Have a great week!

In His Service,

Mrs. Caban

Here's what's happening in:

Bible: Devotions; no tests this week

Spelling: No list

Math: Begin chapter 5 "Adding and Subtracting Fractions"

Language: Begin unit 6 "Using Modifiers Correctly" - This is a very short unit. Be prepared for a test next week!

History: Continue chapter 6 - China, communism; quiz next week

Science: Start group project. Ecological succession dioramas.

PE: Begin a tumbling unit

Spanish: Test next week on sports and body parts.

Computers: Valentine cards
