

Fifth Grade News

February 22, 2010

Dear Student and Families,

We are preparing for a few things in class that will be coming up soon. First progress reports will be coming home this Friday (we are half way through third quarter!).

Next, we are preparing for the school Speech Meet which will be March 30th. The students are bringing home their speeches either today or tomorrow. I take a grade for this, so everyone is participating. Our class "speech meet" will happen Monday, March 28th.

Lastly, we are beginning to prepare for our Catalina trip, which happens in just three weeks! Have you turned in your medical form yet? More details will be coming home soon.

The class has brought in 2,979 quarters so far. Way to go fifth grade!

I hope you have a fabulous week!

Sincerely,
Mrs. Cabán
