

## **The Fourth Grade News**

### **March 1 – 5**

Dear Families,

Here it is March already! In just three weeks we will be off to Sacramento! We are working hard to have some California History background to be prepared for the trip.

Thank you to the parents who went on our mission trip. We had a great day and we learned much with our excellent guides.

As you know, we are studying about birds. We will complete our study by dissecting owl pellets. The pellets are quite expensive so I am asking each child to bring \$5.00. This experience actually always turns out to be one of the fourth graders' favorites. Please send the \$5.00 by Friday, March 5<sup>th</sup>.

We must get busy on a great week so here we go!

Love,  
Mrs. Aram

This week we will focus on:
