

The Fourth Grade News

March 22 -26

Dears Ones,

What a work-out we got on our Sacramento trip. It was a splendid day! The class had excellent behavior and focused well on the history we were taking in. We have truly enjoyed learning about California History and the class has challenged me to teach well. They have had so many questions.

This week we will be back to our routine except that we are going to start to practice for our program. At times, memorizing words will be homework for the next few weeks.

The *In-School Speech Meet* is on March 31, so be sure your child is preparing to present in class Monday, March 29th. I am planning for homework to not be as heavy, since the class needs to work on their speeches. This will count as a Language Test grade.

For our Easter project with our Study Buddies, we are making crosses using egg shells. We are in need of clean broken up egg shells, by Monday March 29th. Our class is also making them.

Be sure to ask your child how the Owl Pellet dissection went!

Love,

Mrs. Aram
