March 15, 2010

Dear Students and Families,

It's Catalina week already! Can you believe it? We will be meeting at school Thursday 7:00am to caravan to San Pedro. I suggest carpooling as it does cost to park at the terminal. We will return to San Pedro Friday by 5:00pm. Please make your own transportation arrangements. Keep in mind that when we return, we will be in rush hour traffic, so either expect the delay or make plans to eat dinner there and then get on the road. The students brought home a packing list and an itinerary. Let me know if you have any questions.

Third quarter grades close this week – Wednesday for us. Make the most of these three days!

Have a great week!

P.S. Are you studying your speech?
