

Fifth Grade News

March 22, 2010

Dear Students and Parents,

What a wonderful trip! Thank you to all the parents that traveled with us. You were an amazing help.

Report cards for third quarter go out Friday. We will have our honor/merit chapel next Friday, April 2nd. Remember this means that grades start fresh again this week. This is our last quarter for fifth grade. Let's make it a great one!

Math Olympics is this Friday. Congratulations to Noelani, Pierce, Emily, and Joseph who will attend and do their best!

We will be starting our **Culture Project** this Friday. A booklet, complete with calendar will come home. The students must treat the booklet like gold! It will not be replaced and neatness counts. This project is to be done by the student alone, please. You may help with spelling, grammar, and accountability, but as it is the student's creation those are your limitations. It will be a wonderful experience for them – challenging and fun!

Other notes:

- 5th grade culture project begins March 26th
- Speech Meet next week!
- Good Friday April 2nd – minimum day
- Easter – April 4th
- Spring Break – April 5th – 9th
