## May 17<sup>th</sup>-21<sup>st</sup>

Dear Families,

Another great week has been accomplished as we count the days 'til break time. The next two weeks will be full of final testing in all subjects, and practice for the program. The program dates are: Wednesday, May 26<sup>th</sup> 6:30 pm & Friday, May 28<sup>th</sup> 9:00 am. We are still in need of donations for the reception, food and props. We are asking \$10 per family.

It was so good to see so many of you at Open House. The class worked hard to prepare to show off all of their great work. I was so proud of their mission models and packets. The class also did very well on their seven-paragraph essays.

If have been thinking and preparing myself to let go of this wonderful class. It has been an outstanding year and your children have accomplished a great deal.

Soon I will send home conference slips for the end of the year conferences. If you cannot be present at the assigned time, please call the office and schedule a time that is good for you.

Let's get to it and have a productive week!

Sincerely,  
Mrs. Aram

### This week we will focus on...

Bible – Lesson 30, Saul's Conversion  
Spelling – Lesson 32  
Math – Final week on "*Decimals*"  
Language – Word Usage  
Reading – Complete Chapters 11 – 15, Test Preparation and Finish reading the book
