

The Fourth Grade News
June 7th – 9th

Dear Families,

Well, we have made it to the final stretch of an awesome year. I will admit I am ready for some rest, but it has been worth it all. We have done so much learning academically and relationally. I feel that there was so very much accomplished and it was a joy to come to work every day.

I hope you have a great summer! I urge you to have your child do some reading and some math to keep their minds going during the long break. It will help them to not lose so much ground and reviewing in the fall can be easier. If you want some suggestions please let me know and I will give you some direction.

Thank you families for all you did to contribute to this super school year. It was a joy to be a teacher with such support and help.

I am looking forward to having conferences with you this week.

There is no homework this short week and I know that is relief for parents too.

On Wednesday we will have brunch to say good bye. Please be sure to check the sign – up sheet for the food.

Love,
Mrs. Aram
