Office News

Welcome and Welcome Back—It has been a full summer at GHBS and probably for most of you as well. But for us, this is our NEW YEAR! It is time for the resolutions, goals and plans to have a fantastic school year. There has been much planning and preparation here and WE ARE EXCITED! So we welcome the new kindergarten families; we welcome back those returning families; and greet anew students who have returned to us from other schools—Jordan Ferreira and Cara Orozco! In addition, we have a brand new third grader, Trevor Moody, who spent the summer on our High Seas Expedition. Get to know him. He's cool.

Staffing—Our staff only has one new face, but a couple of position changes. Mrs. Aram is returning to work with Mrs. Wiseman in kindergarten. Miss Vanasse will be working with Mrs. Zeichick and the second/third graders who have moved to Room D; and Mrs. Hong will meet her fourth graders in Room H. Miss Kauffman has taken another job in her future career line, but she did refer us to a "replacement." Please welcome Mr. David Augur who will be working and playing with our day care students after school.

New Lunch Program—Do you have lunch tickets left over from last year? If so, you'll need to exchange them for this year's brand. The old ones will not be used when we begin serving lunches this year on September 20. You have until September 17 to exchange them in the office. Be watching for the changes to our menu. If you can help prepare or serve at lunch time, let your Room Parent know and get your name on the list. We are excited about this new venture!

Free Money—Everyone who buys groceries can earn FREE MONEY for our school. You simply register your grocery cards and the merchants donate a percentage of your shopping dollars to your designated school—GHBS! IMPORTANT: You must register your cards even if you registered them in the past! Details come home today. This is a wonderful way for grandparents and extended family and friends to help support GHBS and our efforts to keep the tuition affordable.
