

Fourth Grade Parent Letter

Dear Parents...

September 7, 2010

Welcome to Fourth Grade! It is so wonderful to have my students (and parents) again this year! As you will soon find out, there will be certain things that will be familiar to you from last year and some that will be brand new. I will be working hard all year to make sure that we are all challenged and having a lot of fun! I am very excited about the upcoming year and I hope you are, too.

Most of the general information about what to expect this year will be covered at **Back-to-School Night tonight at 7PM. Please come see me if you are unable to attend.** Information regarding our Sacramento trip in the spring and fundraising opportunities for this trip will also be discussed tonight. I look forward to meeting all of you tonight!

This week, we will be going over classroom rules and procedures. We will also be getting ourselves organized and beginning the first units of our course work. Please make sure your child brings in all his/her school materials **this week.**

Please remember to read the parent letter **EVERY Monday** because it will provide you with all the information about what's happening in class. These letters will also be posted on our website: www.gradahillsbaptistschool.com every Monday. The format of my letters will remain the same.

If you have any questions or concerns, you can always reach me at school or email me using our website. Parent-teacher communication is vital to your child's success in school and I am committed to being available to all of you. Again, I am looking forward to a wonderful year!

Blessings,
♥ Mrs. Hong
